Discovering Our Christian Faith An Introduction To Theology

Francis Joseph Hall

Discovering Our Christian Faith An Introduction To Theology:

Discovering Our Christian Faith Samuel M. Powell, 2008 This introduction to Christian theology explores the Bible's amazing story and helps you understand and encounter the knowledge of God **Walk In Christ Second Edition** Christopher Sackett, 2017-11-16 Walk in Christ Living in the Light of Christianity Second Edition This book is intended to help the new believer or someone seeking the Creator with basic Biblical Applications to life This book also includes some theology and Biblical History that is intended to help enhance one's walk with Christ Life in the Image of God Ronald C. Calhoun, 2013-09-06 The King has come The God of love planned reconciliation and transformation for the people he created He planned liberation from bondage for all creation through the life, death, and resurrected life of his Son Jesus Christ Jesus the King has come He has inaugurated the kingdom The Sermon on the Mount Matt 57 is the constitution of that kingdom The constitution is intended to make Christlike disciples The central dynamic of the constitution is godlike love and is based on his grace The Sermon begins with the essence of character which is the foundation of all relationships and conduct Who we are determines the influence we have and controls our conduct Our conduct is based on right relationships with God, others, self, and the material world The Sermon is practical dealing with every aspect of life Our relationship with God is to be one of reverence and self-discipline Our relationship to possessions calls for rejection of slavery to those possessions and to worry In relationship to self we must avoid destructive criticism and exercise discernment Many areas are discussed in our relationship to others such as murder, sex, retaliation, and more Join me in the study of the kingdom constitution as it reveals how to live life in the image of God All who will may become a part of the kingdom by offering full allegiance to the King and by living life by the rule of godlike love Exploring Our Christian Faith W. T. Purkiser, 1978 A Wesleyan Arminian study of doctrine for the serious student *The Entangled God* Kirk Wegter-McNelly, 2012-03-12 In *The Entangled God* Kirk Wegter-McNelly addresses the age-old theological question of how God is present to the world by constructing a novel scientifically informed account of the God-world relation Drawing on recent scientific and philosophical work in quantum entanglement Wegter-McNelly develops the metaphor of divine entanglement to ground the relationality and freedom of physical process in the power of God's relational being *The Entangled God* makes a three-fold contribution to contemporary theological and religious discourse First it calls attention to the convergence of recent theology around the idea of relationality Second it introduces theological and religious readers to the fascinating story of quantum entanglement Third it offers a robust plerotic alternative to kenotic accounts of God's suffering presence in the world Above all this book takes us beyond the view of theology and science as adversaries and demonstrates the value of constructively relating these two important areas of intellectual investigation Introduction to Dogmatic Theology Francis Joseph Hall, 1907 *Dogmatic Theology: Introduction to dogmatic theology* Francis Joseph Hall, 1907 **Dogmatic Theology: Introduction to dogmatic theology.-v. 2. Authority, ecclesiastical and biblical.-v. 3. The being and attributes of God.-v. 4. The trinity.-v. 5.**

Creation and man.-v. 6. The incarnation.-v. 7. The passion and exaltation of Christ.-v. 8. The church and the sacramental system.-v. 9. The sacraments.-v. 10. Eschatology; indexes Francis Joseph Hall, 1907 **Holding Faith**

Prof. Cynthia L. Rigby, 2018-04-17 Martin Luther wrote Faith takes hold of Christ and has Him present enclosing Him as a ring encloses a gem We hold faith as we seek to know Christ better exploring Christian doctrines and deepening our understanding of their relevance to our day to day lives Faith holds us as we respond to Christ s calling negotiate life s challenges and join in the work of bringing in God s kingdom This introduction to Christian theology shows how various understandings of particular doctrines play out in relation to the way we live our lives It explores the content of core Christian doctrines and celebrates the so what of each Using theological literature and Scripture but also current events sociology fiction and movies Rigby shows that theology is key to how we come to understand and negotiate our world Holding Faith contends that some approaches to Christian doctrine are preferable to others making persuasive arguments for creative ways of believing that can enliven our lives and the life of the world Theology has relevance because it can stymie or transform How will we hold our faith Cynthia Rigby has written an accessible and lucid book of theological reflection for today s believers seekers and doubters This is no small feat The book succeeds in the daunting challenges of presenting Christian theology with clarity and completeness with commitment and generosity It is an admirable text for theology students pastors and all those interested in understanding more deeply their faith and life Leanne Van Dyk President and Professor of Theology Columbia Theological Seminary Decatur GA This is an extraordinary book Cynthia Rigby is a Reformed theologian a minister and a teacher All of these gifts are evident in Holding Faith as Rigby offers an eloquent introduction to Christian theology that is academically rich pastorally sensitive and profoundly accessible She does not make theology accessible by watering it down but rather by explaining it with compelling clarity Holding Faith is perfect for seminarians pastors church groups and curious souls for those who are new to Christianity and those who have been studying and living Christian faith their entire lives It will be an enormous blessing to those who teach theology and those who preach the gospel Shannon Craigo Snell Professor of Theology Louisville Presbyterian Theological Seminary Louisville KY Cindy Rigby s is a timely necessary and accessible voice in theological discourse not only for those who together comprise Christendom but also for those who are curious enough about what Christian doctrines offer by way of challenge critique and comfort in our increasingly distracted fractious world Holding Faith is a prophetic priestly and pastoral defense of a faith tradition that historically contributed to this oppressive state of affairs yet undoubtedly remains rife with redemptive possibility for individuals communities nations the cosmos In its pages Rigby provides church folks people of other faiths seminarians and inquisitive nones with a thoughtful place to search out our private and corporate relationships to the God whom the doctrines signify however imperfectly JoAnne Marie Terrell Associate Professor of Theology Ethics and the Arts Chicago Theological Seminary For those of us who teach theology it s rare to find a text that is accessible to those with no previous exposure to

theology while also introducing readers in deep and expansive ways to major doctrinal teachings But Rigby has managed to accomplish both here This is a profoundly personal and invitational approach to thinking theologically in ways that demonstrate the relevance of ancient teachings for our world today And it is also a serious engagement with the biblical text a vast array of historical and contemporary theological voices poetry literature film and more this introduction to theology will empower readers to hold onto faith in new and exciting ways Deanna A Thompson Professor of Religion at Hamline University St Paul MN **Faith in Focus** J. Edward Barrett,1981-08-26 **An Exploration of Christian Theology** Don Thorsen,2007-12-01 Beginning theology students often find themselves bewildered by a maze of beliefs represented in Christian history and tradition Don Thorsen s *An Exploration of Christian Theology* unravels the knots of theology by exploring the whole Christian tradition in a simple and straightforward way Beginning with introductory chapters on theology revelation and authority this book deals with biblical teaching and Christian tradition related to such topics as God creation sin Jesus Christ salvation and eschatology Chapters conclude with helpful questions for further reflection and discussion and a convenient glossary of theological terms is included This is an excellent introduction to Christian theology for classroom or individual use *The Nonviolent God* J. Denny Weaver,2013-11-26 This bold new statement on the nonviolence of God challenges long standing assumptions of divine violence in theology the violent God pictured in the Old Testament and the supposed violence of God in Revelation In *The Nonviolent God* J Denny Weaver argues that since God is revealed in Jesus the nonviolence of Jesus most truly reflects the character of God According to Weaver the way Christians live Christian ethics is an ongoing expression of theology Consequently he suggests positive images of the reign of God made visible in the narrative of Jesus nonviolent practice forgiveness and restorative justice issues of racism and sexism and more in order that Christians might live more peacefully **The Foolishness of God** John Austin Baker,1975 Is the New Theology Christian Hakluyt Egerton,1907 **Christian Faith and Life** ,1928 *An Introduction to Christian Theology* Richard J. Plantinga,Thomas R. Thompson,Matthew D. Lundberg,2022-11-03 Far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life This introduction to Christian theology exploring its basic concepts confessional content and history emphasizes the relevance of the key convictions of Christian faith to the challenges of today s world Part I introduces the project of Christian theology and sketches the critical context that confronts Christian thought and practice today Part II offers a survey of the key doctrinal themes of Christian theology including revelation the triune God and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme Part III provides an overview of Christian theology from the early church to the present Thoroughly revised and updated the second edition of *An Introduction to Christian Theology* includes a range of new visual and pedagogical features including images diagrams tables and more than eighty text boxes which call attention to special emphases observations and applications to help deepen

student engagement **Re-Forming History** Mark Sandle, William Van Arragon, 2019-05-23 Does the discipline of history need a reformation How should Christian faith shape the ways historians do their work This book written for students considers the how of doing history The authors first examine the current liturgies of the historical profession and suggest that the discipline is in crisis They argue for re formed Christian practices and methodologies for history The book asks important questions why do we do history and for whom How should faith shape how we do our research and tell stories What do we owe the dead How should Christian historians practice dangerous memory And how can Christian historians do justice love mercy and walk humbly with God How might we rethink reform renew reimagine and re practice the study of the past Christian historians must be sentinels of hope against the world s forgetfulness the authors argue and this book offers some pathways for rethinking our practices from a Christian perspective **The Publishers Weekly** ,1999 **American Journal of Theology** ,1911 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged Theology and Narrative Michael Goldberg,1982
