Lily White, 2020-07-05 Words are funny things Their meaning the pictures they paint in the minds of those that hear them They're not always the same and to me at least that makes them meaningless Take for instance the phrase black widow Those words conjure the image of a spider However instead of speaking of an arachnid the people who whisper them are talking about something much different They're talking about me From what I'm told no man I've ever loved has survived Yet I have no memory of any of it My new home leads me to the definition of another vague and meaningless word But the definition for the word is wrong Especially when you're made silent by drugs and pretty white jackets My name is Alexandra Sutton and this is the story of what happened when I was imprisoned inside an Asylum Disclaimer *Asylum* is a dark novel that contains sensitive subject matter not appropriate for readers below the age of 18 years of age *Asylum* also contains explicit descriptions of violence *Asylum* is a full length novel at 90K words and is not part of a series *Midnight Rain (Amour Toxique Book 3)*

aren't crying or at least have tears in your eyes you are a stronger person than I. It's one of the best stories I've read in my 74 years on this earth. Allyn Goodreads Reviewer I would have loved to have three separate books instead of a box set. Each one is a gem by itself, three absolutely different themes, each with special ethos. Imagine what will happen if you can travel faster than light. How about becoming an archaeologist? Each plot has been well conceived, properly laid out in a free-flowing manner. It is difficult to make a choice between the three divergent books. Only choice is to vote them all in. venky Goodreads Reviewer I just finished The Mystery Box Set and all I have to say is be ready for three amazing stories that will keep you reading well into the early morning hours. Many nights I had to set down my Kindle to get some sort of sleep. Rachel R I have only read The Mystery Box and Mystery Man but although the Box is very very good the Man is excellent. I did not want it to end. Fabulous writing. Kudos to Eva Pohler who has not disappointed thus far. Amy C After reading this box set I am now a new fan of Eva Pohler. Three totally different mysteries that grabbed me from the first page and had me reading until I was finished. Each one as good as the others. I can't wait to read more of her books. Jennie Ersari I loved this box set. All 3 books were absolutely gripping. The story lines were totally different but each so very good. So thought provoking with surprise twist and turns. I read all 3 books in just a few days as I couldn't put the kindle down. Goodreads Reviewer Grab your copy to begin these chilling adventures today.
