Myth Retelling Review:

Landers Film Reviews, 1972 **Knowledge, Society and Sustainability** Dr. Aditya Ghosh, 2025-01-16 Building a sustainable future has increasingly captured the human imagination in the twenty first century societies around the world. There has been a lot of resource investments and initiatives for pressing issues like protection of the environment, conservation of natural habitats and climate change topics but little research has been devoted to the systematic creation, restoration and dissemination of knowledge system for a sustainable future society. A sincere, dedicated and passionate effort to the organised documentation of sustainability knowledge and environment which would support and enhance the knowledge management and sustainable goals is the need of the hour. In the twenty first century human society aspires to create structure and disseminate knowledge system for a sustainable and equitable society where development of the society and ethical parameters are given utmost significance. For securing a sustainable future, knowledge of various spheres such as sociology, politics, environment, economy, ecology, tradition needs to be documented, restored and disseminated. Therefore, creating a knowledge base by structuring and organizing cultural, economic, political and technological capital needs to be prioritized. This book attempts to create and contribute to the knowledge system which would ensure we are building a sustainable future.

Fantasy Review, 1985 **Book Review Digest**, 1927 **The Hymn to Dionysus** Natasha Pulley, 2025-03-18 A timely reimagining of the story of Dionysus, Greek god of ecstasy, revelry and ruin and a captivating queer love story for readers of *The Song of Achilles* and *Elektra*. Raised in a Greek legion, Phaidros has been taught to follow his commander's orders at all costs. But when Phaidros rescues a baby from a fire at Thebes's palace, his commander's orders cease to make sense. Phaidros is forced to abandon the blue-eyed boy at a temple and to keep the baby's existence a total secret. Years later, struggling with panic attacks and flashbacks, Phaidros is enlisted by the Queen to find her son, Thebes' young crown prince who has vanished to escape an arranged marriage. The search leads him to a blue-eyed witch named Dionysus whose guidance is as wise as the events that surround him are strange. In Dionysus's company, Phaidros witnesses sudden outbursts of riots and unrest and everywhere Dionysus goes, rumors follow about a new god, one sired by Zeus but lost in a fire. In *The Hymn to Dionysus*, bestselling author Natasha Pulley transports us to an ancient empire on the edge of ruin to tell an utterly captivating queer love story about a man needing a god to remind him how to be a human.
