Making Citizen-Soldiers Michael S. Neiberg, 2001-09-01 This book examines the Reserve Officers Training Corps program as a distinctively American expression of the social cultural and political meanings of military service Since 1950 ROTC has produced nearly two out of three American active duty officers yet there has been no comprehensive scholarly look at civilian officer education programs in nearly forty years While most modern military systems educate and train junior officers at insular academies like West Point only the United States has relied heavily on the active cooperation of its civilian colleges Michael Neiberg argues that the creation of officer education programs on civilian campuses emanates from a traditional American belief which he traces to the colonial period in the active participation of civilians in military

affairs Although this ideology changed shape through the twentieth century it never disappeared During the Cold War military buildup ROTC came to fill two roles it provided the military with large numbers of well educated officers and it provided the nation with a military comprised of citizen soldiers Even during the Vietnam era officers university administrators and most students understood ROTC s dual role The Vietnam War thus led to reform not abandonment of ROTC Mining diverse sources including military and university archives Making Citizen Soldiers provides an in depth look at an important but often overlooked connection between the civilian and military spheres The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University Hoover Institution on War, Revolution, and Peace,1969 **Resources in Education** ,1976 *Library of Universal Knowledge* ,1881 American Illustrated Magazine ,1917 **Military Affairs** ,1972 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1969 First multi year cumulation covers six years 1965 70 *Collier's* ,1916 **American Magazine** ,1925 **Digest; Review of Reviews Incorporating Literary Digest** ,1918 Subject Catalog of the Military Art and Science Collection in the Library of the United States Military Academy United States Military Academy.
