Effective Strategy Execution Improving Performance With Business Intelligence Management For Professionals:

Effective Strategy Execution Bernd Heesen, 2015-09-04 This book demonstrates how an improved strategic management approach leveraging established management concepts in conjunction with the innovative technology solutions offered by business intelligence can lead to better performance. It presents the three main barriers to effective strategy execution and explains how they can be overcome. Creating a shared understanding of the strategy at all levels of the organization using a Value Scorecard™ and following the Strategic Alignment Process™ allow organizations to measure and monitor performance. Strategic Alignment Remote Control™ is presented as the ultimate tool for managers to remain in control of their business. Seven case studies from different industries across the globe provide examples of how the organizational performance can be improved. They include companies like Daimler Tetra Pak W rth Germany's Federal Employment Agency the city of Aix Les Bains and Giesecke Devrient. Additional examples from organizations like Disney Marriott Volkswagen Avis FedEx and Harrah's help to demonstrate how applying the concepts introduced adds unique value. The second edition of this book has been updated and improved. Additionally, it includes a separate section on decision making under uncertainty and the results of a survey on the adoption of business intelligence. Effective Strategy

Execution Bernd Heesen, 2025-04-05 Turbulent times require new approaches to strategy execution. This book demonstrates how the use of business intelligence can enhance performance by fostering a shared understanding of the strategy through a Value Scorecard. It also outlines the Strategic Alignment Process for measuring and monitoring performance. The Strategic Alignment Remote Control is presented as the ultimate tool for managers to maintain control of their business. The third edition of this book has been updated and improved. Seven case studies utilizing business intelligence applications such as Microsoft Excel and Microsoft Power BI have been added in Chapter 6 titled Business Intelligence in Practice. These case studies enable readers to learn how to work with key performance indicators and visualize them. **Effective Strategy**
