Effective Leaders Guide Discover Becoming:

How to Become a Highly Effective Leader Tri Junarso, 2009-03 Leading others is not simply a matter of style or following a rudimentary dot to dot guide. Instead, it involves specific skills, behaviors, attitudes, and knowledge. The good news is that anyone can learn how to be an effective leader if they're willing to work hard. Relying on his vast experience in the corporate world and his masterful understanding of how to achieve success as a leader, Tri Junarso brings you an innovative guide on becoming the best leader you can be. By developing the right managerial skills, you can motivate a group of people toward a common goal and ensure that the work of the organization is what it needs to be. Junarso breaks the attributes of a good leader down into a simple yet highly effective acronym GREAT, which stands for growth, responsibility, entrepreneurship, authenticity, and trust. These are the cornerstones of great leadership, and in combination with your leadership style, you have the essential components to be a successful leader. Don't wait for an opportune moment to begin your transformation from a good to a great leader. The time is now. With *How to Become a Highly Effective Leader*, you'll discover your innate ability to overcome adversity and inspire your employees to be the best they can be. *Becoming A Leader* Dr. Myles Monroe, 2008-11-21 Best-selling author Dr. Myles Munroe reveals the secrets of dynamic leadership that will turn your leadership potential into a potent reality. Within each of us lies the potential to be an effective leader. [The Effective Leader's Guide](#) Edward Murphy, 2015-05-05 This book is about Leadership, Followership, and Management: what it takes to become a more effective leader tomorrow than you are today, thus becoming absolutely essential to any employer. This guide includes all 8 Core Competencies of Effective Leadership, which are Delegating, Planning, Organizing, Communicating, Problem Solving, Decision Making, Awareness, Motivation, and Character. Over the past five decades while serving in the US Military as a US Army Officer for 23 years and in Corporate America as an Executive Coach for 21 years, I have been privileged to work with some of America's most exceptional men and women who were real game changers, self-starters, and effective Leaders and Followers. They all had one thing in common: Either they or one of their trusted Followers effectively influenced the actions of others by skillfully using the 8 Core Competencies of Effective Leadership. My purpose in writing this guide is to further the cause of teaching effective Leadership and Followership, to pay tribute to the great men and women I willingly served, and to help you achieve your true career potential. Effective Leaders know the influence they need can only be achieved through the proper and timely application of all 8 Core Competencies of Effective Leadership. The history of America is replete with examples of Leaders who were wise enough, talented enough, and driven enough to realize their shortcomings and to seek out the best and the brightest Followers they could find to help them become more effective, successful, and rich. I learned that to become absolutely essential to any organization, you must be perceived as someone who can be counted on to consistently produce excellent results by treating everyone with dignity, respect, and kindness. This guide is unique because it offers real solutions to problems, telling what to do, how to do it, and the tools you'll need. Teaches
