Association of Law & Mental Health in Padua, Italy, 2008 *Developing and Implementing Individualized Education Programs* Bonnie B. Strickland, Ann P. Turnbull, 1990 This edition of this practical text teaches future special educators how to effectively carry out the responsibility of establishing IEPs This text thoroughly examines procedural guidelines for IEP development and implementation providing a wealth of ideas and suggestions for every stage along the way from referral through placement Alternative Approaches to Assessing Young Children Angela Losardo, Angela Notari-Syverson, 2001 This work takes an in depth look at six alternative assessment methods such as naturalistic focused performance portfolio dynamic and curriculum based language Each chapter includes a description of the approach including a summary of advantages and limitations **Clinical Methods and Practicum in Speech-language Pathology** Mahabalagiri N. Hegde, Deborah Davis, 1995 The Principalship Lawrence F. Rossow, Linda Sue Warner, 2000 In this book Rossow and Warner incorporate the best of all the advances in the theories and developments in the field on study devoted to the principalship since 1990 Although the titles to the eleven chapters remain the same as those found in the first edition much has changed Since many areas addressed in the first edition are nearly timeless some topics are presented again One of the basic premises in the first edition came from a clear change in the direction the principalship was taking in the late 1980s and early 1990s There was a movement away from principal as manager of people and a building to principal as instructional leader Unlike a number of movements in education which turn out to be merely fads there has been no change in this direction for principalship The literature and the training for future principals continues to capture the concept that principals must be instructional leaders while attending to the safety of students and teachers This book will assist those responsible for the education of principals as well as help those already in the field become updated on the newest advances in the discipline **Special Education in Plain Language**, 2001 Professional Issues in Speech-language Pathology and Audiology Rosemary Lubinski, Lee Ann C. Golper, Carol Frattali, 2007 This book provides comprehensive coverage of the issues critical to professional practice in communication sciences The text is multi contributed and each chapter is written by a leading expert in the field This is the most up to date text on the market and it provides in depth coverage of the recently updated 2005 Standards of Clinical Competence The text is clearly organized and highly approachable for readers and it provides a number of excellent pedagogical features such as case studies tables and decision trees to help reinforce the material **Assessment, Evaluation, and Programming System for Infants and Children: AEPS measurement for three to six years** Diane D. Bricker, 1993
