Exploring Prosperity Preaching Biblical Health Wealth And Wisdom:

Exploring Prosperity Preaching Debra J. Mumford, 2012 Beloved I pray that you may prosper in all things and be in health The words from 3 John 1:2 are a familiar refrain in many black churches today What are the seeds of truth in prosperity preaching Why is it so popular especially in today's African American church Homiletics professor Debra Mumford begins by tracing the roots of prosperity preaching to its Word of Faith origins Then she examines its common teachings carefully weighing biblical proof texts against the larger scriptural testimony concerning our health wealth and spiritual wisdom

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

Connections: A Lectionary Commentary for Preaching and Worship Joel B. Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, 2019-09-17 Designed to empower preachers as they lead congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to the other readings and to the congregations experience of worship

Connections is published in partnership with Austin Presbyterian Theological Seminary *Introduction to the Practice of African American Preaching* Frank A. Thomas, 2016-11-15 The Introduction to African American Preaching is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author's enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores

the question what is black preaching Thomas introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice

Making a Scene in the Pulpit Alyce M. McKenzie, 2018-10-23 How can preachers ensure that their sermons continue to engage listeners in a world defined by visual media and the short segmented delivery of information Alyce McKenzie harnesses the element of drama and the human fascination with scenes to offer ministers a modern means of sermon development and delivery McKenzie's core strategy is to invite listeners into scenes whether from Scripture or contemporary life and once they are there to point them toward the larger story of God's relationship with humankind Creating such scenes unifies the whole process of preaching she says from the preacher's daily life observations to interpretation of scenes from Scripture to sermon shaping sequencing and delivery The process culminates in a specific understanding of the purpose of the sermon to send listeners out into the scenes they'll play in their lives for the next week equipped to act out their parts in ways that are kinder more just and more courageous than last week

Handbook of Research on the Impact of Culture in Conflict Prevention and Peacebuilding Essien, Essien, 2020-03-20 The contemporary conflict scenarios are beyond the reach of standardized approaches to conflict resolution Given the curious datum that culture is implicated in nearly every conflict in the world culture can also be an important aspect of efforts to transform destructive conflicts into more constructive social processes Yet what culture is and how culture matters in conflict scenarios is contested and regrettably unexplored The Handbook of Research on the Impact of Culture in Conflict Prevention and Peacebuilding is a critical publication that examines cultural differences in conflict resolution based on various aspects of culture such as morals traditions and laws Highlighting a wide range of topics such as criminal justice politics and technological development this book is essential for educators social scientists sociologists political leaders government officials academicians conflict resolution practitioners world peace organizations researchers and students

The Arts and the Bible Stanley E. Porter, Wendy J. Porter, 2024-01-04 Throughout its history the Christian church has had a troubled relationship with the arts whether literature poetry music visual arts or other forms of artistic expression This volume is not designed to resolve the issues but it is designed to present a number of different statements about various dimensions of the arts in their relationship to the Bible The Bible is the document that stands behind the Christian church as an inspiration to it and to its arts As a result we have divided this volume into six parts perspectives on the arts culture and art visual enactments contemporary interpretations music and the Bible and literature Many of the

issues that the history of the interaction of the arts and the Bible within the Christian church has uncovered are insightfully and artfully addressed by this book The wide range of contributors runs the gamut from practicing artists of various media to scholars within varied academic fields *Health, Wealth & Happiness* David Wayne Jones, Russell S.

Woodbridge, 2011-10-28 A timely exploration and discussion of the prosperity gospel movement *Pro Ecclesia*, 2002

The Banner of Israel, 1924 *Money, Possessions, and Eternity* Randy C. Alcorn, 1989 This is a practical and comprehensive biblical study about money and possessions This writing comes from a pastor's painstaking study and broad experience *Health, Wealth, and the (Real) Gospel* Sean Demars, Mike McKinley, 2022-03-11 By 2 pastors with experience of prosperity gospel Highlights problems Refutes claims made by prosperity preachers *The Christian Union* Henry Ward Beecher, 1888 *Christian Nation*, 1903 *The Christian Advocate*, 1902 **The Christian Union**, 1888 *Health, Wealth, and Happiness* David W. Jones, Russell S. Woodbridge, 2017-07-25 Be faithful in your giving and God will reward you financially It's not always stated that blatantly but the promises of the Prosperity Gospel or the name it and claim it gospel the health and wealth gospel the word of faith movement or positive confession theology are false Yet its message permeates the preaching of well known Christian leaders Joyce Meyer T D Jakes Joel Osteen Creflo Dollar Kenneth and Gloria Copeland and many more The appeal of this teaching crosses racial gender denominational and international boundaries Why are otherwise faithful Christians so easily led astray Because the Prosperity Gospel contains a grain of biblical truth greatly distorted For anyone who knows that Prosperity Gospel theology is wrong but has trouble articulating and refuting the finer points this concise edition contains all the robust arguments of the hard hitting original edition in a shorter more accessible form **The Congregationalist**, 1927 **Michigan Christian Advocate**, 1893 **Prosperity Theology and the Gospel** LAUSANNE MOVEMENT, 2022-05-03 Prosperity theology the belief that financial and physical well being is God's will for his followers has become prevalent in modern day Christianity For Christians looking to better understand how it is affecting the life and growth of the church around the world this book is an accessible and practical resource Evaluating the prosperity theology movement from a biblical and evangelical perspective the authors encourage readers to think critically about the ways in which the theology we follow can lead toward or away from the kingdom of God Prosperity Theology and the Gospel is in four parts The first part turns our attention to God's word and looks at what the Bible says about the issue of prosperity Part 2 looks at the issue from different perspectives be it historical ethical or sociological Part 3 considers the impact of prosperity theology in different regions of the world through several case studies Part 4 proposes how we might respond to some of the challenges we have identified and what could be a way forward for us all Each chapter is followed by ideas for further thought and discussion Contributors include Femi Adeleye Christopher Wright Joel Tejado Valdir and Maicon Steuernagel and many others
