Exploring Social Psychology David G. Myers, 2012-12 **Exploring Social Psychology** David Myers, 2011 Based on the bestselling text *Social Psychology* 10th Edition *Exploring Social Psychology* 6th Edition succinctly explores social psychological science and its applications to contemporary issues and everyday life Thirty one short modules each readable in a single sitting introduce students to important social phenomena and to how scientists discover and explain such phenomena Throughout students are challenged to think critically about such issues as How does our thinking both conscious and unconscious drive our behavior What leads people sometimes to hurt and sometimes to help o *Christian Ethics in Secular Cultures* Thomas K. Johnson, 2018-05-10 A central question in Christian ethics is the relationship between the moral principles we should follow within the Christian community and the ethics followed in the secular societies in which we live Our dilemma is that we have received a revelation of God's moral will in the Bible and in creation which must shape the identity of believers over against unbelieving cultures while our neighbors follow the ethics of other world views which concern us deeply Remember the Holocaust where the ethics of a secular ideology wreaked destruction in an entire society How should we as Christians whom God has called to a distinct identity participate in the moral considerations that will shape our cultures and communicate some of our convictions in a way that brings moral light into our worlds Johnson offers the insight gained by 20 years of teaching ethics in secular universities in Europe and North America First he addresses questions of sex marriage and family then questions of work and economics and finally theological and philosophical foundations Research Integrity Lee J.
