Expressionism Is An Art Concerned With:

The Spiritual Dynamic in Modern Art C. Spretnak, 2014-10-22 This book demonstrates that numerous prominent artists in every period of the modern era were expressing spiritual interests when they created celebrated works of art This magisterial overview insightfully reveals the centrality of an often denied and misunderstood element in the cultural history of modern art

The Prado Museum Expansion Bridget V. Franco, 2023-09-26 From 2001 to 2007 the world renowned Prado Museum in Madrid Spain underwent an ambitious expansion project that reorganized the spatial design of the museum and allowed for additional exhibition space Coinciding with the completion of this large construction project were a series of celebrations surrounding the 2010 bicentenary of South American independence movements a clear reminder of the complicated relationship between Spain and its former colonies in Latin America Inspired by this significant historical moment and with an eye to diversifying its predominantly Spanish centered permanent collection the Prado Museum decides to host a competition for a new gallery of Latin American art The game begins in 2010 as students assuming the roles of curators art patrons living artists and art dealers set into motion a series of negotiation sessions that will help the museum decide which artworks to choose for the new gallery Students will analyze a broad range of artistic movements and styles related to Latin American art from the twentieth to the twenty first centuries in an effort to support the acquisition of paintings that best represent the diverse artistic legacies and historical heritage of the region

Colors of Art Chloë Ashby, 2022-08-30 Colors of Art takes the reader on a journey through history via 80 carefully curated artworks and their palettes For these pieces color is not only a tool like a paintbrush or a canvas but the fundamental secret to their success Color allows artists to express their individuality evoke certain moods and portray positive or negative subliminal messages And throughout history the greatest of artists have experimented with new pigments and new technologies to lead movements and deliver masterpieces But as something so cardinal we sometimes forget how poignant color palettes can be and how much they can tell us When Vermeer painted *The Milkmaid* the amount of ultramarine he could use was written in the contract How did that affect how he used it When Turner experimented with Indian Yellow he captured roaring flames that brought his paintings to life If he had used a more ordinary yellow would he have created something so extraordinary And how did Warhol throw away the rulebook to change what color could achieve Structured chronologically Colors of Art provides a fun intelligent and visually engaging look at the greatest artistic palettes in art history from Rafael's use of perspective and Vermeer's ultramarine to Andy Warhol's hot pinks and Lisa Brice's blue women Colors of Art offers a refreshing take on the subject and acts as a primer for artists designers and art lovers who want to look at art history from a different perspective
