Judeo-Christian Appraisal of Major Theories of Truth Joseph B. Onyango Okello, 2025-05-22 What is truth How should we define it Should we define it christologically as Jesus did when he revealed himself to Thomas as the embodiment of truth or should we appeal to philosophy for help This book explores possible answers to these questions More specifically the book offers a brief survey of how different philosophical theories have attempted to define truth After finding them somewhat incomplete the book shows how an adequate account of truth is given by the Judeo Christian tradition s view of omniscience By drawing from the rich tradition of the church fathers the book notes how naturalistic views of truth fail to account for the existence of truth prior to the evolution of the human mind This problem however is a non issue for a theistic account of truth and makes a strong case for the existence of objective truth even before the human mind was designed Children's Books in Print, 2007 ,2006 *The Almighty in the Ordinary* John Page, 2001-09-26 Does God feel distant Do you wish God would show Himself to you so you would know He s there In *The Almighty in the Ordinary* pastor and author John Page finds a God who is closer than we think Using normal life situations or things babies gardening hunting television water dogs and such he offers spiritual insights to reveal God in the everyday A must read for the seeker and believer alike *Catalog* Seattle Pacific College, 1948 **The Good News of the Return of the King** Michael T. Jahosky, 2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant *The Good News of the Return of the King* The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s *The Lord of the Rings* as well as *The Hobbit* and *The Silmarillion* In this book I propose that J R R Tolkien s *The Lord of the Rings* is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables *The Lord of the Rings* can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many Weapons of the Spirit John Hugo, 1997 Christianity Today ,1982 *The Family treasury of Sunday reading, ed. by A. Cameron (W. Arnot). [Continued as] The Christian monthly and family treasury* rev Andrew Cameron, 1873 **The Church Quarterly Review** ,1964 *The Nation* ,1888
