Spiritual Autobiography and Meditation Handbook Emerson D. Brooking, Ph.D., 2014-01-24 Introducing the Serenity Meditation In 1985 while visiting Chaing Mai in northern Thailand the author asks a monk to teach him meditation The monk replies that he cannot but his teacher might His teacher is Chief Priest of Sanpatong No farang foreigner of European descent had ever asked him to teach meditation yet he readily agrees to teach the author He speaks no English During the next month using the monk as interpreter he diligently teaches the Serenity Meditation Initiation into the Serenity Meditation immediately propels the author on a most magnificent journey transforming his life and consciousness His drug addiction evaporates and he harvests other fruits of the spirit a loving compassionate heart filled with peace and joy This book chronicles his journey along the spiritual path It is the journey from

identifying himself as a separate body mind personality self to experiencing his essential Self as an expression of Infinite Consciousness Existence This Spiritual Autobiography and Meditation Handbook describes how he gradually explores layer beneath layer beneath layer of his mind and being sometimes referred as peeling the onion Over the years the author s meditation practice has proven to be divine psychotherapy In these pages he shares how he learns to move from the False Self the self developed in his own likeness rather than in the likeness of God to the True Self the image of God in which every human being is created It has been and continues to be a journey teaching him how to relax and learn to let go and let God Spiritual Autobiography and Meditation Handbook is also a manual It contains sufficient information and techniques to allow the reader to begin or deepen a personal meditation practice Through God s grace this intensive meditation practice may lead serious truth seekers to Self and God realization Meditation is a relaxed focused uninterrupted awareness RELAXED AWARENESS Meditation requires the ability to let go and let God If you are unable to relax deep meditation is unlikely Capital letters refer to headings in the Table of Contents Probably the easiest way to relax is to focus on belly breathing The DIAPHRAGMATIC BREATHING EXERCISE is a good introduction If you are a chest breather and have difficulty breathing into your belly lie in THE CROCODILE POSTURE This posture will teach you the appropriate muscles to use to breathe diaphragmatically When you are a proficient belly breather then master Three Part Breathing Deergha Swaasam described by Swami Satchidananda in his article THE BREATH OF LIFE PROGRESSIVE MUSCLE RELAXATION and AUTOGENIC TRAINING INSTRUCTIONS provide you with a powerful entry into deep relaxation THERMAL BIOFEEDBACK and ELECTRODERMAL BIOFEEDBACK will help you Begin your meditation prayer practice with ALTERNATE NOSTRIL BREATHING If your nose is congested do a NETI NASAL WASH first FOCUSED AWARENESS SERENITY MEDITATION and MINDFULNESS VIPASSANA MEDITATION INSTRUCTIONS are clearly written and include folks you can contact if you have any questions Mantra meditation FOCUS WORD OR PHRASE THE METHOD OF CHRISTIAN CENTERING PRAYER Kriya Pranayama Meditation and the TECHNIQUE OF PRIMORDIAL SOUND AND LIGHT CONTEMPLATION are all simple but powerful meditation techniques UNINTERRUPTED AWARENESS For most folks to achieve uninterrupted awareness requires a great deal of practice The mind is like a wild drunken monkey trapped in a cage To tame it requires a lot of loving patience The author has now been meditating for almost thirty years and there still are days that he experiences monkey mind When he reminds himself that God loves him just as he is he is encouraged and continues his practice To be successful in meditation prayer usually requires consistent effort determination and practice over a long period of time It also requires you to develop a strong moral foundation YOGA PHILOSOPHY INTEGRAL YOGA and RAJA YOGA THE YOGA OF MEDITATION expound this truth Until you live a virtuous life success in meditation prayer is doubtful How does one who covets lies cheats steals kills and engages in sexual misconduct quiet the mind That mind will always be agitated You may learn powerful meditation techniques but your life and consciousness will not be transformed You will never harvest the fruits of the spirit a

loving compassionate heart filled with peace and joy Remember meditation prayer is not about getting high it is not about bliss Often the author has to remind himself not to be too satisfied resting in Bliss consciousness As much as he loves it that is not his goal Rather his goal is Self and God realization The author once asked Roy Eugene Davis his guru teacher how he could become fully Self and God realized Roy laughed and said that he wished he could tell the author but he could not Then he gently explained that is a path the author had to discover for himself You too will have to discover the path for yourself The author wishes you God speed on this very special journey and stands ready to assist you in any way that he can
