Key insights

7 Habits of Highly Effective People

1. **Place on things you can control**
Concentrating on things you can control is the key to success. Focusing on things you can't control is a waste of time and energy.
2. **Practice empathy listening**
To understand others, you must listen to them. Empathy listening is the ability to understand the feelings and needs of others.
3. **Balance your thoughts**
Don't let your thoughts control you. Instead, let your thoughts serve you. This means you should be in control of your thoughts, not the other way around.
4. **Develop your character**
Character is the foundation of success. It is the set of qualities that make a person trustworthy and reliable.
5. **Shift your personal mission statement**
Your mission statement is the guiding principle of your life. It should be something that inspires you and gives you a sense of purpose.
6. **Never give advice unless asked**
Giving advice is often a sign of insecurity. Instead, listen to what the other person has to say and offer your own perspective when asked.
7. **Take responsibility**
Don't blame others for your mistakes. Instead, take responsibility for your actions and look for ways to improve.

7 HABITS OF HIGHLY EFFECTIVE PEOPLE

Emotional Intelligence

3 Traits of Emotional Intelligence

- 1. **Self**
The ability to recognize and understand your own emotions, and how they affect your thoughts and behavior.
- 2. **Others**

Key insights

Thinking Fast and Slow

1. **Slow emotions aren't as reliable as your brain**
Your brain is much faster than your emotions. It can process information much more quickly than your emotions can.
2. **Slow emotions are not everything in life**
While emotions are important, they are not the only thing that matters in life. There are many other factors that can influence your decisions and actions.
3. **Ask everything that comes to mind**
When you are making a decision, it's important to ask yourself everything that comes to mind. This will help you to make a more informed decision.
4. **Beats when you're not in control**
When you are not in control of a situation, it's important to stay calm and focused. This will help you to make a more effective response.
5. **The "Noble Effort" is a disorienting loss**
When you are making a decision, it's important to stay focused on the goal. This will help you to avoid getting distracted by other factors.
6. **Never let the thoughts of other people**
When you are making a decision, it's important to stay focused on your own thoughts. This will help you to avoid being influenced by other people's opinions.
7. **Review of emotional thinking in decision-making**
Emotional thinking can be a helpful tool in decision-making, but it can also be a hindrance. It's important to use it wisely and not let it control your decisions.
8. **Be open to the thoughts of other people**
While it's important to stay focused on your own thoughts, it's also important to be open to the thoughts of other people. This will help you to make a more informed decision.

THINKING FAST AND SLOW

Key insights

Start with No

1. **Know what you want**
Before you enter a negotiation, you need to know what you want. This will help you to make a more effective negotiation.
2. **Start with no in negotiation**
Starting with 'no' is a powerful way to begin a negotiation. It shows that you are not easily swayed and that you have a strong position.
3. **Never raise the adversary**
When you are negotiating, it's important to stay calm and focused. Raising the adversary will only make the negotiation more difficult.
4. **Review of the instructions of the adversary**
When you are negotiating, it's important to listen to the instructions of the adversary. This will help you to understand their position and make a more effective response.
5. **The role of agenda in negotiation**
The agenda is a key part of a negotiation. It sets the agenda for the discussion and helps to keep the negotiation on track.
6. **Your leverage and their leverage**
Understanding your leverage and the leverage of the other party is crucial in negotiation. It will help you to make a more effective response.
7. **What happens next?**
After a negotiation, it's important to know what happens next. This will help you to prepare for the future and make a more effective response.
8. **A good agenda should contain**
A good agenda should contain the key points of the negotiation. This will help to keep the negotiation on track and ensure that all the important issues are covered.
